2.9 Service Order Cancellation

Except as otherwise set forth herein, Customers who cancel a Service Order prior to Service installation (including cancellation of special construction or Services provided on an individual case basis) will pay the Company's reasonably incurred, actual expenses associated with such cancellation. A charge of up to five dollars (\$5.00) will be applied to Customer's invoices for Services if (i) the previous month's invoice has not been paid in full by the billing date of the next invoice; and (ii) the balance due is greater than twenty dollars (\$20.00). Each Customer account will be granted one complete forgiveness of a late payment charge each calendar year. For one monthly bill in each period of eligibility, the Company will accept the net amount of the monthly invoice as full payment for such month after the expiration of the due date. The Customer will be notified by mailed written notice that the eligibility has been used. Such forgiveness will have no effect on the credit rating of the customer.

2.12 Deposits

2.12.1 To safeguard its interests, the Company may require the Customer to make a deposit to be held as a guarantee for the payment of charges. A deposit may be required if the financial condition of the Customer is not acceptable to the Company or is not a matter of general knowledge.

No written notice is required to be given of a deposit required as a prerequisite for commencing initial service. Written notice shall be mailed advising the Customer of any new or additional deposit requirement. The Customer shall have no less than twelve (12) days from the date of mailing to comply.
